## FORGED BY FIRE

Clothes make the man but the car he drives reflects his soul and that's why we designed the Mahindra Pickup keeping two principles in mind, confidence and competence. It features an all new bold front grille with chrome inserts, rugged wrap-around bumpers and high performance dual projector headlamps with low-profile LED eyebrows and static bending technology that make sure that the path is cleared for your arrival.

## LIFTS MORE THAN EYEBROWS

Life can carry a heavy load and the Pickup is right by your side to share it. The Pickup's strong foundation gives it a maximum towing capability of 2.5 ton and a large load box with a payload capacity of 1.195 ton. At the heart of this power lies in the legendary 4-cylinder, turbo-diesel, 2.2 ltr. mHawk engine capable of delivering 103 kW/140 HP of power and 320 nM of torque.

# STRENGTH MEETS COMFORT

When you're in the driver's seat we made sure that you not only get all the power one expects from a pickup but also all the comfort, protection and features you'd want in a luxury vehicle. The solitude inside the cabin gives you a virtual office on wheels, making sure that business never stops no matter where you are. Even when you're carrying precious cargo, your mind is at absolute ease because every Pickup comes equipped with three-point seatbelt systems for every seat and ISOFIX anchors for child safety seats.
