The new Mahindra TRUXO 31 is built with solid muscle. To carry far bigger loads; 21 ton clear passing. At the same time, it's careful about diesel, giving you best-in-class mileage. Go ahead, give your business the outperforming muscle it really needs.

- Powerful, fuel-efficient and reliable m-POWER engine • Spacious, ergonomic 4 point suspended comfortable cabin
- Stronger chassis, suspension and driveline • Best-in-class cabin comfort prevents fatigue • High oil change interval
- Variants to suit different businesses: Cement, Container, Market Load etc.

TRUXO 31 is also available with the Twin Speed Axle, providing you the flexibility to switch from low to high torque and vice-versa to give you up to 10% higher fuel-efficiency.
